

NOVEMBER & DECEMBER 2015 NEWSLETTER

Message from founder Connor Jacob Archer

It is my pleasure, to introduce our November & December 2015 newsletter. This is our first issue ever released. We have found that it is important to showcase important events, that have taken place each month. Usually, we will do a separate issue each month starting in March. January and February of 2016, will be combined, due to the lack of fundraising events, or projects, going on during those months. If you have any questions, please find my contact information on the 2nd page.

Founder Connor Jacob Archer shaking hands with Old Town National Honors' Society president Derek Haas, as the project donates 3 bags of winter gear

On Saturday December 12th, founder Connor Jacob Archer presented 3 bags of winter gear to the Old Town High School Winter Warmth Drive. He was able to do this, after left over funds from this past summer's back to school drive. "Being able to help young children with challenges in another way, is what the Courageous Steps Project is all about" said Archer.

Courageous Steps Project has new mailing address; holiday letters to be mailed out by end of 2015.

Recently, the Courageous Steps Project has changed it's mailing address. You can now send donations, and thank you messages, to the Courageous Steps Project at P.O. Box 1, Stillwater, ME 04489. Please still make donations out to Old Town High School, with Courageous Steps written in the memo.

We have already started the process of mailing our holiday letters out, on Friday December 18th, and will continue doing so throughout this coming week. You should receive your holiday letters by the New Year. If you don't receive one, and you would like to, please email Connor Archer.

Founder Connor Jacob Archer was selected as a 2015 Teens Who Care award winner for December 2015, and January 2016.

Please visit our website, to find a link of the video. You can also find it on our website searching 'Teens Who Care'.

Veazie Community School kicks off ‘One Word’ challenge

On Wednesday November 24th, 2015, the Courageous Steps Project founder Connor Archer, visited the students and faculty, at the Veazie Community School. He shared his story with grades 5-8, along with the faculty, before presenting his ‘One Word’ challenge to the school, to kick off the region wide challenge in 2016. “This is another way to get the community involved, but at the same time, promote the Courageous Steps Project” said Archer. We got notification as well, that the video will be completed by Tuesday December 22nd, 2015. You will be able to view that video on our website. The next steps for the ‘One Word’ challenge, will be to challenge more schools in 2016.

Green House Nursery School Technology Expansion project Phase 2 close to completion

We are close to finishing the 2nd phase of the Green House Nursery School Technology Expansion Project. This phase includes purchasing keyboards for the existing iPads, a projector, and accessories for the projector. We will be revealing those items to the Green House Nursery School after the New Year. Please visit our website when that happens to view pictures, and reactions.
