

Safety Bag Items What's Included?

Operation Find Me Frisbee

These frisbees are great to have in the safety bag as an activity incase a child is looking for something to hold or to play with. While the frisbee isn't directly related to help with finding and locating, we feel that it is a useful tool for other purposes.

Operation Find Me Pen

This pen is the official pen of the Operation Find Me Initiative. Do you need to write something important down? The Operation Find Me pen is a great start for that!

Operation Find Me Keychain Flashlight

This keychain flashlight is such an instrumental tool. Say you get lost and don't have your phone for a flashlight, or even your phone? Then you can shine the flashlight to find your way back home. Great tool that can just go with your other keys.

Operation Find Me Reflective Wristband

This wristband is probably our most useful tool. Simply slap it on the the wrist when you go somewhere, and you are easily seeable though any lights that shine at night, or during a dark stormy day.

Operation Find Me Safety Bag

This safety bag stores all the items and resources/handouts that will keep your child safe out in your neighborhood/ community. The bag is designed bright so it can be easily noticed by other community members!
