## Sponsor Steps Payment Plan

**Total Amount Plan:** The total amount plan allows businesses and organizations to take care of their contribution process all at once. If you only can contribute a full amount, but cannot contribute the minimum amount of our sponsor steps package, please visit our **'Step' System for Businesses**.

**Every Other Month Plan (6 months):** The every other month plan allows businesses and organizations to split the contribution process into six increments of every other month. This is a great option if businesses have a busy month, and cannot send their contribution increment that month.

**Every Month Plan (12 months):** The every month plan allows businesses and organizations to split their contribution process into twelve increments of every month. This a great option for businesses, if they don't have the funds to pay all at once. We recommend this option for any business or organization contributing over \$12,000.

\*If you are using our **'Step' System for Businesses**, contributions are made at once, unless an agreement is made by the CEO and/or the board of directors.\* Those inquires should be directed to the CEO, Connor Archer, at: [connor.archer@thecourageousstepsproject.org](mailto:connor.archer@thecourageousstepsproject.org), or mailed to: P.O. Box 1, Stillwater, ME 04489.
